

UTMB SPECIALTY CARE CENTER AT VICTORY LAKES

Sullivan Land Services has just completed Phase I of the UTMB Specialty Care Center at Victory Lakes, the flagship building of this 60 acre campus, allowing the hospital to open and accept patients. Work will begin shortly on the 200 space parking lot behind the building with an appealing connector between the main building and parking lot.

PROJECT SUMMARY

- Landscaping of 60 acre campus
- 200 space parking lot to be completed

The above are highlights of recent projects. A more comprehensive list of company projects is available upon request. References for the aforementioned projects, as well as general company, financial, insurance and bonding references are also available upon request.
